## EDP Renováveis informs about press news regarding its Asset Rotation program

**Madrid, September 04<sup>th</sup> 2015:** EDP Renováveis, S.A. ("EDPR"), as a result of the news published today in the media about its Asset Rotation program, hereby clarifies, pursuant to article 248-A of the Portuguese Securities Code, that:

1. EDPR announced on June 22<sup>nd</sup> 2015 that, as the company seeks to continue developing additional growth opportunities and in order to maintain its self-funding strategic pillar, is considering the possibility to expand the scope of its Asset Rotation program.
2. EDPR informed it decided to evaluate the particular possibility of establishing a public listed YieldCo composed by European wind generation assets, as an efficient way to monetise and rotate its assets.
3. EDPR has not yet taken a decision about the potential listing of a YieldCo and continues to monitor the relevant aspects to ensure that all are taken into account, including in particular the evolution of capital markets.

EDPR will make further announcement upon a decision is reached.
